Story of James Stacey Murdock
becoming rather ill while

He was brought into Heber, Utah.
It was urgent that he be operated on
post haste.

A town prayer was held.

James Stacey Murdock was operated
on, on the dining room table of his
home at 517 E 100 No. in Heber; by Drs
Ralph Richards and John R. Hewell
& Dr. Montgomery & Dr. Dannenberg.

Dr. Ralph Richards had long been a
hunting & fishing friend of James Stacey
Murdock over many years.

It was touch & go for Mr Murdock,
because they found a burst appendix
& the only medication they had was
hydrogen peroxide to cleanse the
wound. It apparently was a long fight
to get him well, but he did survive the
 ordeal!
